6 NOTHING! Nothing is happening in AZ.

▼ Everything Bannon talks about amounts to nothing. A big nothingburger.

Rudy is playing on pipe dreams that people do the right thing when historically politicians DO NOT DO THE RIGHT THING.

This whole hold the line shit, trust the legal process is just as bad as Q saying grab the popcorn.

The whole entire Judicial Branch is compromised. The legislative Branch is compromised. Most of the Executive Branch is compromised.....

America is Comprised.
